### **ADJ/INR/MGT 572: Complex Humanitarian Emergencies: Prevention and Responses**

Focusing on complex humanitarian emergencies (CHEs), this course addresses the capacity to govern in the face of violence, turmoil, and conflict. The course will examine public policy challenges of developing and implementing the necessary systems to monitor, anticipate and react to critical response incidents and natural disasters. As such the course will evaluate early warning methodologies and review the scientific research and competing approaches to preventing and mitigating complex humanitarian emergencies.
