YOU, ME AND THE UNITED WAY

Contributions are beginning to come in now for the College's annual United Way Appeal. Please note, the campaign will end on October 30, so don't waste any time. . .Contribute now!

One painless way to contribute is to choose the payroll deduction plan. All you have to do is indicate the amount you would like deducted from each of your checks, and your contribution will be taken care of. Remember those few extra dollars you saw in your last check? Well, why don't you have that amount deducted? You won't miss it, but you can bet that it will make a noticeable difference to this year's United Way Appeal!

Last year, Salve Regina had the highest percentage of participation of any college in Rhode Island. Let's not relinquish that honor in 1981. Let's go for the gold!

If you have not been approached by one of the 1981 United Way solicitors listed in last week's Bulletin, please call Sister Esther, the United Way Chairman, Ext. 242.
