THE NEWPORT INSTITUTE CONFERENCE

A conference entitled, "The Great Nuclear Debate: Strategy and Morality", will be held Saturday, October 31, from 9 am to 4 pm in the O'Hare Academic Center.

The conference is sponsored by the Newport Institute in cooperation with Salve Regina. The decision to hold the conference was fueled by overwhelming public concern regarding the political and moral issues of the continuing nuclear weapons build-up taking place in the world today.

Following the welcome and introductory remarks by Sister Lucille McKillop, Ambassador Thomas S. Estes, distinguished statesman and political advisor to military commands, will speak on "The Great Nuclear Debate". Ambassador Estes is chairing the conference.

Speaking after Ambassador Estes is Rear Admiral (Ret.) Henry E. Eccles. Admiral Eccles is the author of four books and numerous articles on strategy, logistics and military theory, and is considered by many to be the foremost military theorist in the free world.

Other conference speakers include Francis X. Winters, S.J., associate professor of moral theology in the school of foreign service at Georgetown University; Thomas Graham Jr., director of congressional relations and public affairs of the U.S. arms control and disarmament agency, Washington, D.C., and Vice Admiral (Ret.) John T. Hayward. Hayward did a damage study of Hiroshima and Nagasaki and is now a consultant to the department of energy at Lawrence Livermore Laboratory.

The conference is open to the public; cost, which includes lunch, is \$25.00 per person. The Newport Inst. will sponsor Salve faculty and students wishing to attend.

UNITED WAY UPDATE

As chairman of this year's College campaign for the 1981 United Way Appeal, I wish to thank everyone who has contributed to this unique effort. Your generosity has been tremendous!

The results of our effort are not yet known at this time, since not all contributions have been collected. However, I do know that the response thus far has been exceptionally good, both in terms of average contribution and percentage of individuals participating.

Overall, United Way officials are extremely pleased to see that despite feeling the financial pinch, individual giving is up in all categories, and over 42 per cent of the 1981 goal of \$12,020,475. has been reached in Rhode Island.

NEWS/BULLETIN

For those of you who are still planning to contribute, please give generously. After all, the campaign is only as successful as you make it. Contributions will be accepted through Friday, October 30, so don't delay in contacting your solicitor. Let's make it another award winning year for Salve Regina!!
