4-1-1969

Sister Maureen A. Dietz will attend luncheon and afternoon meeting sponsored by the Graduate School of Education Alumni, University of Pennsylvania

Salve Regina College
FOR RELEASE IMMEDIATELY

Sister Maureen A. Dietz, Assistant Professor, Science Education of the Education Department at Salve Regina College in Newport, will attend a luncheon and afternoon meeting sponsored by the Graduate School of Education Alumni, University of Pennsylvania, Saturday, April 19, 1969. The general topic of the meeting is Problems in Urban Education. The meeting will be held at the Faculty Club, University of Pennsylvania in Philadelphia.

Sister Maureen Dietz will be one of three speakers on a panel dealing with problems in science education in the urban school. Dr. Kenneth D. George and Mr. Miles Nelson, both from the faculty of the University of Pennsylvania will be the other panelists. They will discuss problems in elementary science education and secondary school science education, respectively. Sister Maureen's specific topic will be methods to evaluate science learning in the urban school.
