FOR IMMEDIATE RELEASE

April 1970

Two Salve Regina College officials are members of the Rhode Island committee planning activities for National Library Week (April 12-18).

They are: Sister M. Margaret Sorensen, R.S.M., associate academic dean, and Warren Harrington, librarian at the women's college.

The committee plan to extend their efforts in support of National Library Week through the week of April 19, which will be Rhode Island Environment Week. In that respect, a focal point of the group's statewide activities will be "Libraries: Action Places for Ecology."

Mr. Harrington will be on hand at the State Capitol Friday (April 10) when Governor Licht signs the proclamation of Rhode Island Library Week.
