WELCOME NEW STUDENTS!

An Invitation to the College Community from Sister Lucille McKillop, SRC President

It is my hope that each of you will be able to come to the Opening Mass and to the College Community Picnic on Sunday, September 7, 1975. The work which has been done in readiness for this academic year, the extra effort expended by each of you, the willingness and gracious manner with which you surrounded all that you did -- these are things for which each of us is grateful to each other person who made the getting ready easier. We should celebrate together the fruits of our labors as we welcome those persons for whom this college exists--the students, who can learn from us not only the intellectual virtues but also all those virtues which enable us to make life easier for each other.
