COLLEGE ADDRESSOGRAPH SYSTEM

Summer is a time to paint, to redecorate, to rewire, to reallocate office space, etc., etc. One area which has been reorganized is the College's Addressograph System which is located in the General Office. All of the plates are in correct order and have been updated as of August 15, 1977. A tabbing system is in operation and drawers with specific classifications have been tabbed. The new system will enable the college to run total mailings without duplications.

The revised addressograph system should make it possible to keep

the plates up to date at all times. Miss Wanda Frazer is available to explain the tabbing system or to extend the system to meet the needs of the College's ever growing public.

Mr. John Payton, General Office Manager, is also available for consultation regarding any addressograph needs.

THE DESIGNERS' SHOWHOUSE AT WAKEHURST

The Designers' Showhouse will open on Saturday, August 20, 1977. The beautiful Wakehurst mansion, which is one of the eighteen buildings on Salve Regina, The Newport College's campus, is being transformed by the creative touch of many of this country's foremost designers. Words cannot convey the happy surprise one feels as one enters the basement kitchen or the wonder at the creative transforming of the many stately rooms from the largest reception area to the smallest bedroom on the top floor. Each one has the special touch of its designer's genius, which will make the tour a never to be forgotten experience and certainly a one not to be missed. The Designers' Showhouse will run until September 5. The hours are 10 a. m. to 4 p. m. Monday through Saturday; 1 to 5 p. m. Sunday. Evening hours are Tuesday, Wednesday and Thursday 6 to 9 p. m. Tickets are \$5 at the door; \$4 if purchased in advance.

TEMPORARY CLOSING OF LIBRARY

The library staff is engaged in the reorganization of the Curriculum Library. Because the work involved is of such major proportions, the library will be closed to the general public from August 22 through September 2, 1977. This will permit members of the library staff to devote their undivided attention to the task of reorganization.

Members of the faculty, and any student currently enrolled in an independent study course at Salve Regina College may gain access to the library during this period in either of two ways. 1) Dial extension 272 and make arrangements for your admission through the rear entrance of the library. 2) Go directly to the rear porch of McAuley Hall, knock on the library workroom window, identify yourself, and a staff person working in that area will admit you to the library.
