APRIL 24 - MAY 3

Vol. I, No. 4

Published every Thursday during the academic year, except for holidays and vacations, by the Office of Development and Public Relations. Deadline for all copy is Tuesday noontime. News of general interest to the college community is earnestly requested so that Happenings can be a comprehensive preview of what's new and what's coming on campus.

KUDOS

Top student leaders for the 1970-71 academic year were determined in the recent Student Congress Elections. They are: Carolyn Reder, President; Peggy Pierce, Vice President; Nanette Robillard, Secretary; Mary Ellen Doback, Treasurer; and Patty Mullany, Social Chairman.

Dr. Heriberto Vazquez, chairman of the Spanish department, presided over the Ochre Court induction ceremony of nine Spanish scholars into Sigma Delta Pi, national Spanish Honor Society. The members, all Spanish majors, are: Cynthia A. Bates, Margaret T. Cardillo, Anne L. Conaty, Rita M. Francis, Sister Sheila M. Harrington, R.S.M., Catherine A. Pratte, Emilia M. Antonio, Eileen M. Pogachnik, and Zora A. Turnbull.

HERE

Dr. Lester Carr, vice president for academic affairs, has announced that the Financial Aid Office, under the direction of Sister Mary Marcella, is richer by \$10,000 received this week from the U.S. Department of Justice for support of our Law Enforcement Degree Program and student loan resources. Earlier this year, we received a smaller grant of \$3,000 from the Justice Department.

The Freund Foundation has granted \$6,000 to Salve Regina College for support of a treatment facility at Hope Center (formerly the Mother of Hope Novitiate, Portsmouth, R. I.).

Sister Sheila O'Brien, dean of women, has named a committee to assist Dr. Carr in planning the recently-initiated Hope Center program. Named to this committee are: Miss Lucy Ann Shannon, assistant dean of women; Nan Campion, freshman; Stephanie Bowler, Elaine Derosieurs, and Jacqueline Lane, sophomores; and Carolyn Reder, junior.

The sophomore-sponsored spaghetti dinner-mixer, held in Mercy Hall, drew some 400 people. Entertainment by John Archer of Providence College, and a spaghetti sauce recipe by Sister Ralph Mary contributed significantly to the success of the evening. Proceeds will help fund next year's junior Ring Weekend.

THERE

Sr. Kathryn Mary, director, special education teacher training program, and Sr. Marie Jeannine of the special education department, attended the four-day Council of Exceptional Children National Convention in Chicago. Both Sr. Kathryn Mary and Sr. Marie Jeannine, who received their M.A.'s in Special Education from Cardinal Stritch College, also attended the Cardinal Stritch Alumnae Meeting while in Chicago.

The following data was released by the Association of American Colleges, Washington, D. C. under the heading "Impact of President's Budget Requests on Undergraduate Colleges," and is reprinted in this week's HAPPENINGS for your information:

"The Presidential budget requests for fiscal year 1971 (July 1, 1970 to June 30, 1971) must be related to two guidelines before one can obtain a full perspective: the amount of authorization for a given program (i. e. , the amount of money authorized in the enabling legislation for any particular program in the given fiscal year) and the amount of money actually appropriated by the Congress in previous fiscal years for said program.

OTHER AGENCIES

NATIONAL SCIENCE FOUNDATION

Although the Administration requests a large increase for NSF, careful analysis reveals that two programs of great interest to undergraduate colleges are reduced.

The College Science Improvement Program was funded at \$8.8 million in 1969, and \$6 million in 1970. Request in 1971 is \$4 million.

The Undergraduate Instructional Equipment Program, which has been funded at \$4.5 million in recent years is budgeted for no funds in 1971.

NSF research fund requests are increased. Some portion of this increase could be expected to go to undergraduate colleges.

NATIONAL ENDOWMENT FOR THE HUMANITIES

The Administration requests a substantial increase for NEH.

Fellowships -- increased roughly \$1 million. (Thirty-eight percent of these have been awarded to faculty at undergraduate colleges in the past.)

Research -- increase in small grant program of \$300,000.

Education -- project grants up \$1 million. Small planning grants up \$150,000 (est.).
Development grants up \$3 million."
