ALUMNI PHONATHON

This year the SRC Alumni Phonathon is taking place on five evenings in order to reach more of the growing number of Alumni. On March 18 and 20 volunteers used the Blue Cross/Blue Shield Office in Providence to call. On March 25, 26 and 27 calls will be made at Raytheon in Portsmouth. Volunteers are still needed for the Portsmouth Phonathon.

Student volunteers will join volunteers from the Alumni Association in contacting the graduates for the dual purpose of encouraging them to pledge to the Annual Fund and sharing news of the college. Last year 19% of the Alumni responded to the appeal. This year we look for a greater response. The response is important in encouraging foundations and other sources of grants to look favorably on the the needs of the college.

Please call the Alumni Office, ext. 312 to offer your services.

SECURITY NEWS

Spring... A carefree, casual, bright, and breezy time. It is great to have windows and doors open, to roam around outside during the day, and at night, too.

Since spring is such a carefree time, we all need to remind ourselves to give attention to safety and security. During the next few weeks when everyone's individual attention is focused on writing papers, studying for exams, it is essential to remember the basics of safety and security.

Personal Safety

While at home...

Keep your room locked at all times.
Do not prop open exterior door.
Be particularly sensitive to strangers in the dorm
and report such persons to a staff member or
security immediately.
Keep track of your keys.

While outside...

There is safety in numbers so avoid travelling alone
Tell a friend or staff member where you are going
and when you will be home.
Call to inform someone if your plans change, so
no one will worry.

Fire Prevention Tips

1. Use common sense.
2. Do not use candles or open flames at any time.
3. Do not use zip cords for any reason.
4. If you see any residents doing anything that would be considered hazardous, speak to them about it.
5. The Life saved may be your own.
