NOTICE TO ALL FACULTY AND ADMINISTRATIVE-STAFF

The Newport College - Salve Regina is one of over four hundred major colleges and universities that was represented in last year's edition of the National Register of Outstanding College Graduates. It is very important that our college/university be represented again this year. Students who are selected to appear in the Register are among those first sought after by employers nationwide.

Students nominated by you must be seniors who are outstanding as to their character, scholarship and leadership merit; therefore, their selection should not be based on academic achievement alone. All students must be among those who will be completing their degrees between now and August 1981.

All nominations must be received by the Dean of Student Development by Friday, October 17 and must be accompanied by a written rationale supporting the nominees' qualifications for this distinction. Students who are ultimately selected will be notified by personnel from the National Register of Outstanding College Graduates.

ATTENTION FRESHMEN!

Be sure to visit your academic advisor this week for your copy of the 1980-82 Academic Advising Handbook. Your advisor is expecting you, so please pay a visit this week!

FINANCIAL AID NEWS

On October 3, 1980 President Carter signed into law a \$48 billion bill to reshape and extend the Higher Education Act through fiscal 1985, culminating two years of work by lawmakers, their staffs and Higher Education groups. The details of this 5 year legislation are on file in the Financial Aid Office, 2nd floor, Ochre Court.

Among the changes are an increase in the interest rate for Guaranteed Student Loans from the present 7% rate to 9%. However, if you have already borrowed from GSL at the 7% interest rate, you may continue to borrow at this rate through graduate school. If you have not borrowed from the GSL program and plan to do so, you must borrow before January 1, 1981 to be eligible for the 7% interest rate.

If you have any questions concerning the 5 year Higher Education Bill or the changes in GSL feel free to contact the Financial Aid Office.
