UNITED WAY - "THANKS TO YOU IT WORKS FOR ALL OF US"

Last year 57,221 Aquidneck Island residents were served by United Way Agencies and 683,692 were expended by the United Way in providing services.

More than 91 cents of every dollar contributed to the United Way goes directly to human service agencies, which have total annual budgets of more than \$35,000,000. The total cost for the United Way campaign is 3.5 cents of every dollar received. The United Way provides year-round fiscal administration and budgeting to insure the money you contribute is spent properly. This costs about 5.4 cents of every dollar raised. The United Way is by far one of the most effective ways to provide needed human service to the people of our community.

BE THE SUNSHINE OF THEIR LIVES--GIVE TO THE UNITED WAY!
