CONGRATULATIONS SENATOR MCKENNA!!!

The entire College Community extends sincere congratulations to Senator McKenna for the important responsibility he has just received from the President of the United States. Senator Robert J. McKenna, Director of College and Community Relations, has been asked by President Carter to serve on a 12-member National Commission on Student Financial Assistance. Senator McKenna was one of four appointees selected from throughout the country by the President. Also on the 12-member panel are two U.S. Senators and two U.S. Representatives, one from each party. One of the United States Senators, Senator Claiborne Pell, was named to the National Commission by Senate Majority Leader Robert Byrd. Four other members were chosen, two by the President of the U.S. Senate and two by the Speaker of the House. The members of the panel will serve until July 1, 1983 and will study all aspects of student assistance. President Carter will appoint one of his four nominees to serve as chairman of the commission. Congress has authorized an appropriation of \$10,000,000 to be used for this study. Once again we are proud that a member of the College administration and faculty was asked to serve on a National Higher Education Commission.

NOTE OF THANKS

I would like to express my sincere gratitude to the entire College Community for the more than generous birthday gift given to my daughter Alicia. Your expression of generosity will always be remembered.

Your prayers and support have given me the courage to get through this difficult time, and I sincerely appreciate it.

Mary Alice Campbell

THANK YOU

College Health Services would like to thank all those who donated or participated in any way at our blood drive on December 10, 1980. Over seventy people offered to give blood. Fifty-eight pints were realized.

SRC Booster Club

There is a quiet fund-raising taking place at Salve Regina College for the SRC Booster Club for Athletics, Intramurals and Physical Education. Because of the interest and increased participation, funds to support the programs need to be increased. Therefore, students, staff, faculty and administrators are volunteering to assist in the project. Each individual is asked to seek donations of \$5.00 for each of ten Booster Club Buttons. The more individuals involved, the more successful the fund drive which is scheduled to run December 19, to February 1. Funds will be used this year to support items not currently in the budget. If you are interested in becoming involved, contact Paul Cardoza at Ext. 329.

NOTE: Each person is being asked to find only ten others (outside the college community) who want to support the Booster Club.
