Jim:

Great talking to you. I'm glad to hear you're interested in the Bicentennial Education Program at Salve Regina College.

It's the first program of its kind and I believe many of your readers would like to hear about it. I know many people on Bicentennial Commissions are expected to attend. And they can receive college credit for participating.

Enclosed is a story on the program. Please rework it any way you'd like. If I've missed anything, give me a call and I'll be happy to fill in the holes.

I've also enclosed a poster about the program ... it could make an interesting visual.

Thanks again for your interest, Jim.

Cordially,
