Dear Ms. Cornely:

I'm enclosing information on a Bicentennial Education Program at Salve Regina College in Newport, Rhode Island.

The program is the only one of its kind in the country, and I think many of your people would be interested in participating. I know the federal Bicentennial Commission is planning to promote this, and we expect people from across the country to enroll.

The story could be used in your newsletter. Please rework it any way you wish. If you have any questions, just call me. I'll be happy to help you.

Cordially,
