Mr. William Morris  
Director  
Connecticut American Revolution  
Bicentennial Commission  
59 South Prospect Street  
Hartford, Conn.

Dear Mr. Morris:

Here is the story we talked about on the Bicentennial Education Program.

The program is the only one of its kind in the country, and I think many of your people would be interested in participating. I know the federal Bicentennial Commission is planning to promote this, and we expect people from across the country to enroll.

Please rework the story any way you'd like. If you have any questions, just call me. I'll be happy to help you.

Cordially,
