BICYCLE SAFETY

Newport residents are required by city code (Sec. 7-2 and 7-4) to register bicycles with the local Police Department. All members of the College Community may register with the local Police Department or the Campus Security Department.

Bicycle theft is a daily occurrence on every college campus. Salve is no exception. Members of the community have experienced the personal loss of their only means of transportation this semester. Registration not only helps to reduce theft but it can also help to recover your bicycle, if stolen.

When parking your bicycle, secure it with a GOOD lock and chain. The chain should be long enough to go through both wheels and the frame. Never leave your bicycle unlocked and unattended. When riding in the City of Newport, never ride on the sidewalk. If your bicycle is stolen, report it immediately.

FIRE ALARM PROCEDURES

1. Familiarize yourself with the building you are in.
2. Know where all available means of egress are located. (Exits are marked with lighted signs)
3. Know where fire alarm pull stations are located.
4. Exit the building in a quiet and orderly manner.
5. DON'T PANIC.
6. Move away at least a 100 feet from the building, assemble in designated area and do not re-enter the building until instructed to do so.

ASSEMBLY AREA FOR O'HARE ACADEMIC CENTER: East Lawn of McAuley Hall.

ASSEMBLY AREA FOR MERCY HALL: Inside driveway of Wakehurst.

To date nearly 600 copies of the alcohol use survey have been returned. The response has been most encouraging and we wish to thank everyone for their cooperation. Many students received the survey at home addresses and will have the opportunity to complete the survey next week. We encourage everyone who has not returned the survey to do so during the week of April 20-24th. Thanks again for your assistance and cooperation. Additional copies are still available at Counseling Services for anyone who has not received a copy.

VOLUNTEERS NEEDED FOR TOOTSIE ROLL DRIVE

The Knights of Columbus in Rhode Island are sponsoring their 2nd Annual Tootsie Roll Drive to raise funds for programs to benefit the mentally retarded throughout the state. The area Knights of Columbus Councils - who are major contributors to our Newport County Olympics - are looking for volunteers to assist them on April 23, 24, 25 in our area.
