ASSERTIVENESS TRAINING

The Social Work Program and the College Counselling Services, in conjunction with members of the Nursing faculty, are offering a brief introduction to Assertiveness Training, from 3:00 to 5:30 p.m. Friday, May 8, in the ITC, Angelus Hall. All members of the College community are cordially invited, with a special invitation to those preparing for service in the helping professions.

Assertiveness Training is much maligned! It is NOT the Art of How to Complain! On the contrary, Assertiveness Training teaches the skill of rational and constructive communication, appropriate to situation and goals. For instance, some of the how-to's include: how to take a compliment, how to say no to an invitation, how to accept criticism how to make a point in a professional meeting, how to disagree with a colleague without anger or personal offense,

ASSERTIVENESS TRAINING (CONT.)

and when to say nothing at all!

We have planned a videotape and group exercises which should be amusing and stimulating. Come and join us!
