THE O'DONNELL SCHOLARSHIP

One of the teachers from Trinity and All Saints' College in Leeds, England, met with us during the Spring to investigate the possibility of an exchange scholarship between Trinity/All Saints' College in Leeds, England and Salve Regina College.

The offer was then made to Salve Regina College by Trinity/All Saints' College, on July 10, 1981, indicating that:

"One Foundation Scholarship has been reserved specifically for Newport College in the hope that this will go some way towards establishing closer ties and links between our two institutions . . ."

We have made arrangements for a reciprocal scholarship offer from Salve Regina College to a student from Trinity and All Saints'.

This scholarship will be called The O'Donnell Scholarship, named after Sister Mary Audrey O'Donnell, R.S.M., our former Dean of Admissions. Sister Mary Audrey spent a lifetime epitomizing our institutional mission -- Education to the Service of others -- and has for the past two decades been tremendously effective in assisting the development of the enrollment of Salve Regina College.

The O'Donnell Scholarship will cover the cost of tuition and fees for an undergraduate student. (The scholarship recipient will make arrangements to pay his/her own room and board and personal expenses.) The scholarship will be available for the 1982-83 academic year, commencing in the fall of 1982.

The Academic Vice President will establish a faculty committee which will be responsible for selecting the student whom Salve Regina College will recommend to Trinity and All Saints' College. We will accept Trinity and All Saints' College's recommendation re: the person who would be the recipient of the O'Donnell Scholarship.

Salve Elected New Member In NCAA Division III

Salve Regina - The Newport College has been elected, effective September 1, to Division III membership in the National Collegiate Athletic Association (NCAA). "We have reached the goal, set five years ago, to meet NCAA standards in men's athletics," notes Paul Cardoza, director of physical education/athletics.

In 1975, Salve had one men's varsity sport: basketball. Today they have four, basketball, tennis, soccer and baseball, and anticipate developing varsity squads in track & field and golf.

Twenty-two games are scheduled for this year's basketball season with 60% being NCAA teams. Among the NCAA teams scheduled for varsity competition with Salve during the '81-'82 academic year are: Barrington College, Roger Williams College, Rhode Island College, Bryant College, Nichols, Curry College, Bridgewater State, University of Massachusetts at Boston, Catholic University (D.C.) and St. Joseph's in Maine.

Cardoza said this NCAA status leads to the next level of development in the sophistication of men's varsity sports at Salve. Namely, "to be competitive on a Division III level" and "to prepare the College for membership in the Eastern Collegiate Athletic Conference (ECAC)."
