NOTICE TO ALL STUDENTS FROM THE ACADEMIC DEAN

Dear Students:

Success in college is directly related to skills in reading. In fact, about 85% of what students learn in college comes through reading. Recognizing this fact, we are again offering a program in improving comprehension and speed.

The Boston Office of the Evelyn Wood Reading Dynamics will conduct a reading improvement course at Salve Regina in October. This program provides 18 hours of instruction in procedures, skills and techniques of reading. Comprehension, pacing, recall, and speed are all stressed.

The time will be October 1-29 (Tuesday and Thursday, 7-9 p.m.). Students will be pre-tested and placed according to abilities (from below normal to advanced). Evelyn Wood will provide a free follow-up session later in the year.

The cost is \$130 per student for the entire program. Compared to the \$400-500 for public enrollees, this price, we believe, is reasonable. To register, please fill out the form below and bring it along with a check for \$130, made out to Evelyn Wood Reading Dynamics, to:

Sister Sheila Megley
2nd Floor
Ochre Court

If for any reason, you are unable to complete the course, you have the option of transferring your enrollment to any regularly scheduled Evelyn Wood Reading course. For additional information contact:
