## BROTHER GENE ACCEPTS APPOINTMENT AT LEWIS UNIVERSITY

Brother Gene has been appointed Vice President for Academic Affairs at Lewis University, Romeoville, Illinois. His letter, which follows, is written to the many persons he will be unable to contact before leaving. The entire College Community extends a most heartfelt thank you to Brother Gene and wishes him a fond farewell and success in his new position.

Dear Members of the Salve Family,

July 30, 1982

With apologies for this impersonal format, I wish to inform you of my departure from Salve Regina College. As of August 15, I shall become Vice President for Academic Affairs at Lewis University, an institution near Chicago under the direction of the Christian Brothers.

With colleges of Arts and Sciences, Business, and Nursing, as well as a school of aviation, Lewis University has about 2700 students (co-ed). When the position of VPAA became available in mid June, I was asked to apply. Several members of the Salve community were kind enough to write letters of recommendation for me.

While I look forward to working with the administration, faculty, staff, and students at Lewis, I have many regrets about leaving Salve. Since 1976 you have become an extended family to me; I proudly count many of you among my best friends. Cherishing that relationship, I am most grateful to you for your many kindnesses to me and my family.

Since last week especially, I have been touched by many expressions of encouragement and congratulations, which I sincerely appreciate. During the next few weeks and months, administration will be meeting with department members to discuss departmental programs, plans, and activities, particularly how best to make the transition to the new year.

NEWSBULLETIN

Allow me to say a special word about Sr. Lucille, Sr. Sheila, and Dr. Burrell. In 1976 I addressed them, following a faculty workshop, as "the three geniuses of the place." Today I am convinced more than ever that their leadership, charisma, and influence have contributed immensely to the progress and success of this College. It has been my real pleasure to work with them and with you. May all of us prosper!

Sincerely yours,

Br. Gene Lappin
