### FACULTY NEWS

---

Dr. Thomas Day, Chairman of the Music Department, composed the fanfares and interludes performed at the special College Convocation held on September 19, commemorating the 50th Anniversary of the Salve Regina College Charter. The music lent a special touch to a memorable event.

Jay Lacouture, Chairman of the Art Department at Salve Regina, will be a visiting artist at the American Craft Museum in New York City from October 16-18. He is one of six ceramic artists invited by the museum to participate in its "Meet the Artist" series. These artists will discuss their work as well as demonstrate raku and smoke techniques.

Mr. Lacouture's visit is in conjunction with the traveling ceramic exhibition from Raku and Smoke North America, a contemporary exhibit which he originally curated at the Newport Art Museum for six weeks last spring. Twenty-two pieces from the Newport show were chosen by Mr. Lacouture and Paul Smith, director of the American Craft Museum for the New York exhibition which will run through November 3, 1984.

Sister Arlene Woods of the Art Department is now showing her work at a one-person show in New York at St. John University's Gallery 300. The exhibition, entitled "European Travel Series," will run through the beginning of October.
