OLDPORT COMMITTEE ACTIVITIES
The Oldport Committee of the Society, established in 1977 when the former Oldport Association, Inc. was dissolved and merged with the Society, is basically responsible for carrying on out-reach activities on behalf of the Society such as conducting guided walking tours of Colonial Newport, overseeing the operation of the Wanton-Lyman-Hazard House during the summer, giving daily demonstrations of open hearth cooking in the same House and, until this past year when circumstances interfered, arranging and conducting annual tours for grade school children of the Newport and neighboring school systems. Volunteers to perform these various functions are found and organized by the Committee which thereby does a crucial service for the Society. Committee members and volunteers have given many hours of time and effort during the past year, particularly for the walking tours, demand for which has risen markedly. As one small way of expressing our appreciation for their dedication and service we consider it appropriate to give public recognition herein to the Committee members and the volunteers:

THE NEWPORT HISTORICAL SOCIETY

The Newport Historical Society has maintained a library and museum of Newport and Rhode Island history since its incorporation in 1854. Three centuries of political, business and family manuscripts, including the early records of the Town Council housed for the City of Newport, together with important holdings of maps, prints, photographs, newspapers and maritime memorabilia, are preserved by the Society as are furniture, silver, paintings and ceramics which give it a representative regional collection of the American decorative arts.

Incorporated into the Society's fireproof building is the 1729 Newport Seventh Day Baptist Church. In addition the Society owns the Wanton-Lyman-Hazard House (1675), the Friends Meeting House (1699), and Green End Fort.

Hours: The Society is open to the public
