THE NEWPORT HISTORICAL SOCIETY

The Newport Historical Society has maintained a library and museum of Newport and Rhode Island history since its incorporation in 1854. Three centuries of political, business and family manuscripts, including the early records of the Town Council housed for the City of Newport, together with important holdings of maps, prints, photographs, newspapers and maritime memorabilia, are preserved by the Society as are furniture, silver, paintings and ceramics which give it a representative regional collection of the American decorative arts.

Incorporated into the Society’s fireproof building is the 1729 Newport Seventh Day Baptist Church. In addition the Society owns the Wanton-Lyman-Hazard House (1675), the Friends Meeting House (1699), and Green End Fort.
