SALVE REGINA PROFESSOR

RECEIVES N.M.H.P. GRANT

Sister Mary Norbert, of the Salve Regina College sociology faculty, has received a National Mental Health Grant to begin studies in September for a doctorate in her field.

Sister Norbert will benefit from a renewable \$3,500.00 stipend provided by the National Mental Health Program to finance a year's doctoral study at the University of Pennsylvania.

Sister Mary Norbert joined the Sociology Department in 1957 after preparatory studies at Salve Regina College, Boston College, and Norte Dame University, where she received her Master of Arts degree.

Another former Salve Regina faculty member, Sister Mary Donalda, R.N., has received National Science Foundation-Atomic Energy Commission grants for summer study in Radiation Biology at Purdue University and Michigan University.

Sister Mary Donalda, presently teaching at St. Mary High School in Fall River, has also received another grant in the field of Biology at Loretto Heights College in Colorado.
