SALVE HOSTS CHEMICAL GROUP

Salve Regina College will host a presentation by the Rhode Island Chapter of the American Chemical Society on "The Chemistry of Automobile Emissions and Their Control," on Monday, April 22 at 8:00 p.m. in O'Hare Academic Center.

Principal speaker for the evening will be Dr. Garbis Meguerian, a research associate for Amoco Oil Company in Whiting, Indiana. Sister Lucille McKillop, president of Salve Regina, will speak at a Miley Hall dinner preceding Dr. Meguerian's presentation.

Also scheduled is the annual awarding of research grants to high school teachers in Rhode Island. This year's recipients are Mr. Gregory Coppa, St. Raphael Academy, Pawtucket; and Mr. Stephen Caffrey, North Providence High School.
