### SALVE OBSERVES NATIONAL PHYSICAL EDUCATION & SPORTS WEEK

Salve Regina, The Newport College will observe National Physical Education and Sports Week during March 1-7, 1977 with a series of special events.

As in many other areas of education, changes have occurred. Physical Education today places more emphasis on the individual. In commemoration of National Physical Education and Sports Week, the Physical Education Department of Salve Regina College extends an invitation to the Salve Campus Community and to the public to observe its physical education program in action. Besides regular physical education classes, special workshops have been planned at Salve with the public in mind. For example, a slimnastics clinic will be run by Caroline Kaull. Joya Hoyt will conduct a workshop in Modern Jazz dance and James Hersh will instruct a class in Yoga.
