NEWPORT COLLEGE COMMITTEE EXPRESSES STRONG SUPPORT FOR S1234

The Symposium Committee on Justice and Peace at The Newport College, Salve Regina formulated a letter to members of the State Legislature urging their support of Bill #77S1234. It was the intention of the committee members to put themselves on record in support of an important means of determining the selection of Nursing Home Administrators. The bill, sponsored by Senator Robert McKenna, stipulates that the Board include senior citizens and educators (presumably those with expertise in health services). It is in keeping with the national trend to increase the participation of more and more citizens in participatory management of public services.
