"Expansion of the Newport College's athletic program with a new fulltime assistant director of athletics and men's varsity baseball team moves the College one step closer to becoming active on an NCAA Division III level," indicates Paul Cardoza, Salve director of athletics.

Chadwick holds a Bachelor of Science in physical education from the University of Rhode Island. He recently served as intramural director for the Naval Education Training Center in Newport. Previously, the Narragansett native worked for the South Kingstown Recreation Department for five years.
