

Letter from Mr. Goëlet (to Mr. Chaplin certainly), from the Hotel Bristol
Undated, sent probably between the 7th and the 12th of September 1883

Dear Sir,

As I was arriving in London, I found your letter, in reply to which I just sent you a telegram which you must have received.

We stay in London leaving in one week later and we hope to receive your sketches immediately in order to return them with our decision.

I expect to be in Paris around September the 20th.

Yours sincerely
