

Letter from Mr. Goëlet to Mr. Chaplin,
Yacht Norseman, Amsterdam, Aug, 29th, 1883

Dear Sir,

Awaiting for your favorable answer, I wrote to Mr. Allard to send you the exact blueprints of the panels of my salon. Mr. Allard answered me that he sent you the measurements the 23d.

I hope that the conditions of prices and timing are convenient for you and I anxiously await your reply which I would like you to send to London.

Yours sincerely,

Ogden Goëlet
