

Letter from Mr. Chaplin to Mr. Goëlet,
Arromanches, Calvados

Dear Sir,

My letter had just left when I received yours. You tell me you will be in Paris near September the 20th. Therefore it is of no use returning me the sketches that you could bring along with you and it will be easier for us to chat about them rather than by mail.

Please give me an appointment 25, Rue de Lisbonne in Paris, by mail, two or three days in advance, at my address in Jouy-en-Josas, Seine-et-Oise. Please set the appointment preferably for between 2 and 4 pm.

Yours sincerely,
Ch. Chaplin
