

Letter from Mr. Chaplin to Mr. Goëlet
25, rue de Lisbonne

Dear Sir,

You seemed to be so rushed to get your paintings that I sent all my sketches as soon as I could by express. It has now been more than 15 days and I still haven't heard from you.

Having no news, I worry, and pray you to reassure me about our project.
You had told me you would be in Paris around September the 20th.

Yours sincerely,

Ch. Chaplin
