

Letter from Mr. Chaplin to Mrs. Goëlet
25 rue de Lisbonne

Dear Madame,

I would be delighted to receive you on Wednesday, but at 1pm precisely, as I have to leave my workshop for serious reasons at 2 o'clock.

I'm marrying off one of my nieces and I am the witness at the town hall.

As you can see it isn't my fault if I change the hour of our appointment.

Receive my respectful homage,

Ch. Chaplin
