Mr. Ernest W. Bowditch,
60 Devonshire St., Boston.

Dear Sir,

Our representative has been to Newport and measured up the porte cochere of Mr. Ogden Goelet's villa on Ochre Point Ave. for a granolithic pavement. We submit you sketch herewith of the same. We will furnish all material and labor to carefully subdrain the pavement, and lay a first class granolithic pavement with a hard smooth surface, jointed as per sketch, the surface to be colored to resemble the stonework of building, doing the whole in a good and workmanlike manner for the sum of two hundred and ten (\$210.00) dollars. Trusting that this will be satisfactory to you, we remain,

Yours very truly,

ABERTHAW CONSTRUCTION CO.
